Licensing Inspection Full Report

Approved child day camp programs are inspected at least once each year. Non-compliances are documented in the inspection report. Documenting statements, technical assistance provided and supplemental information may also be included in the report. Inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with an inspection finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-18-04 details the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the inspection report.

Non-Compliances

This section includes rule violations that are observable and/or based on facts.

Domain: 23 Medication

Rule: 5101:2-18-11 Medication and special health needs
Requirement: Approved child day camps must appropriate document the administration of medication.

Findings: "During the inspection it was determined that the approved child day camp did not appropriately document the administration of medication or application of a topical product in that the form did not include the item(s) in number(s) [7] below:

1. The child's name.

2. The child's date of birth.

3. The medication name.

4. The medication dosage.

5. The date the medication was administered.

6. The time the medication was administered.

7. The signature of the person administering the medication.

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of

the rule."

Domain: 23 Medication

Rule: 5101:2-18-11 Medication and special health needs
Requirement: Approved day camps must appropriately store and administer medications.

Findings: "During the inspection it was determined that requirements for the administration of medications were not met in the number(s) 1 below:

1. A prescription medication was not stored in the original container with a label that includes the child's full name, a current dispensing date within the previous twelve months, and exact dosage and directions for use.

2. A medication or topical product was administered for a period of time beyond the date indicated by the physician, physician's assistant, advanced practice nurse certified to prescribe medication, or licensed dentist, on the prescription label, for twelve months from the date on the form, or after the expiration date on the medication, whichever comes first.

3. A non-prescription medication was not stored in the original container with a manufacturer's label containing directions based on the age and/or weight of the child.

4. A nonprescription medication dosage exceeded the prescribed dosage or the manufacturer's recommended dosage.

5. Written permission to administer the medication was not obtained from the parent.
Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule."
