Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Ohio Department of Children & Youth

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Rule: 5180:2-12-04 Building Department Inspection

Requirement: The program is required to refrain from using space that did not receive building approval and from caring for children in spaces not approved for that age group. The program is required to refrain from using a remodeled or modified space before obtaining building approval. The program is required to maintain building occupancy limitations.

Finding: During the inspection, it was determined that the program was using space for child care in a manner that had not been approved by the Ohio Department of Commerce or the local certified building authority.

The following condition(s) were observed: The Preschool room occupancy had been exceeded. 9 children were being cared for in this space that had been approved for 7 children. The School age room occupancy had been exceeded. 14 children were being cared for in this space that had been approved for 10 children.

Submit the program's corrective action plan, which includes building approval for use of this space, a written statement that the building occupancy limitations are being maintained, or a written statement that it is no longer being used, to the Department to verify compliance with the requirements of this rule.

Domain: **01 Ratio & Supervision**

Rule: 5180:2-12-18 Ratio

Requirement: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 9 children was determined to have occurred for the Toddler/Preschool group.

The following was observed: Two groups were combined, and the program did not follow the ratio for the youngest child in the group.

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/23/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-13 Handwashing Requirements

Requirement: The program is required to have all staff and children wash their hands as outlined in rule.

Finding: During the inspection, it was determined that handwashing requirements were not followed as required in rule.

The following was observed: At least one staff/child did not wash their hands after each diaper change or pull-up change.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Technical Assistance Provided

This section documents technical assistance provided to the program when the program demonstrated an overall level of compliance with a rule requirement.

Domain: 08 Staff Files

Rule: 5180:2-12-08 Staff TB Screening Requirements

Requirement: The program is required to have every employee provide evidence of tuberculois (TB) screening prior to the first day of employment.

Findings: During the inspection, it was determined verification of TB screening was not on file as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.

Domain: 09 Children's Files

Rule: 5180:2-12-15 Child Immunization Records

Requirement: The program is required to have complete child immunization records on file.

Findings: During the inspection, it was determined child's immunization records were not on file or updated annually as required. Technical assistance was offered to support compliance. As discussed, please make the necessary corrections. A written response is not required at this time.
