Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

Domain: **00 License & Approvals**

Rule: 5180:2-13-04 Flammable and Combustible Materials in a Type B Home

Requirement: The program is required to properly store flammable and combustible materials and substances.

Finding: During the inspection, it was determined flammable and combustible materials and substances were stored near numbers 2 and 3 below:

1. Heater;

2. Furnace;

3. Water Heater;

4. Gas Appliance.

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 06/11/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-13-11 Outdoor Space

Requirement: The program is required to have an outdoor play space free from immediate risk.

Finding: During the inspection, it was determined that an area was used which was not protected from traffic and other hazards by a continuous fence in good condition, or natural barrier, that ensured children were not able to leave the playground area. The fence or natural barrier was determined to present an immediate risk for a child to be able to leave the playground as noted in number 10 below:

1. The fence, natural barrier, or combination of fence and natural barrier was not continuous.

2. The fencing had missing slat boards through which children could leave the playground.

3. The gate was broken and did not close.

4. The latch on the gate was broken.

5. The gate had no latch.

6. The fencing was broken.

7. The latch was easily opened by children on the playground.

8. The latch was not engaged to prevent children from opening the gate.

9. The portable fencing approved for use by the Department was not being used.

10. There was no barrier of any kind.

Discontinue use of the playground and provide a space for outdoor play which is well defined by a continuous fence or natural barrier and protected from other hazards. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/17/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: 03 Postings & Equipment

Rule: 5180:2-13-17 Materials and Equipment

Requirement: The program is required to have enough equipment for all children in care.

Finding: During the inspection, it was determined that equipment and materials in the following categories were not provided in sufficient quantities for children in the main program space, as required:1, 2, 3, 4, 5, 6, 7, 8, 9 and 10.

1. Art supplies (excludes infants)

2. Manipulative materials and equipment

3. Blocks

4. Science-nature equipment (excludes infants)

5. Language arts and auditory materials and equipment

6. Pretend or dramatic play materials

7. Music equipment

8. Transportation materials and equipment

9. Gross motor equipment

10. Sensory motor equipment

11. School age children were not provided sufficient equipment and materials in at least five of the first nine categories above.

Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule.

Corrective Action Plan Due: 06/11/2026

Domain: **08 Staff Files**

Rule: 5180:2-13-07 Staff Records

Requirement: The provider is required to maintain current employee, child care staff members and resident records in the Ohio Professional Registry.

Finding: During the inspection, it was determined that employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in numbers 1, 2 and 9 below:

1. The provider had not created updated their individual profile in the OPR.

2. The provider had not created the program's organizational dashboard in the OPR.

3. At least one employee, child care staff member, or substitute child care staff member had not created or updated their individual profile in the OPR.

4. At least one employee, child care staff member, or substitute child care staff member had not created an employment record in the OPR for the program on or before the first day of employment, including date of hire.

5. At least one employee, child care staff member, or substitute child care staff member had not updated changes to positions or roles in the OPR within five calendar days of the change.

6. The program's organizational dashboard in the OPR was not updated within five business days when at least one employee, child care staff member, or substitute child care staff member's scheduled days and hours changed.

7. The program's organizational dashboard in the OPR was not updated within five business days when at least one employee, child care staff member, or substitute child care staff member's group assignments changed, if applicable.

8. The program's organizational dashboard in the OPR was not updated with the employment end date within five business days when at least one employee, child care staff member, or substitute child care staff member ended employment.

9. At least one resident over the age of eighteen had not created a profile and employment record for the family child care provider within five days of becoming a resident or turning eighteen.

10. The program's organizational dashboard in the OPR was not updated within five calendar days of a change in residency for at least one resident over the age of eighteen.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/17/2026

Domain: **08 Staff Files**

Rule: 5180:2-13-09 Background Checks

Requirement: The program is required to have the applicable JFS 01176 "Program Notification of Background Check Review for Child Care" on file.

Finding: In review of the staff records, it was determined that background check requirements had not been followed, for the individual listed on the Employee Record Chart, as noted in number 3 below:

1. The JFS 01176 "Program Notification of Background Check Review for Child Care" the program received from the Department was not on file and the individual was not left alone with children.

2. The JFS 01177 "Individual Notification of Background Check Review for Child Care" was on file instead of the JFS 01176.

3. The JFS 01176 on file was for a different program.

Submit the program's corrective action plan, which includes a statement that the correct form is now on file, to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/12/2026

Domain: **08 Staff Files**

Rule: 5180:2-13-10 Health Training

Requirement: The program is required to meet the health training requirements.

Finding: In review of records, it was determined the provider did not have current valid documentation for trainings listed in numbers 1 and 4 below:

1. First Aid - expired training

2. First Aid - did not have verification of the completion of First Aid training

3. First Aid - documentation did not demonstrate the person who provided the training met the trainer qualifications as stated in the rule

4. CPR - expired training

5. CPR - had not taken CPR training

6. CPR - did not have verification of the completion of CPR training

7. CPR - training taken did not include all age groups and developmental levels of all children in care

8. CPR - documentation did not demonstrate the person who provided the training met the trainer qualifications as stated in the rule

9. CPR- audiovisual or electronic media training taken did not include an in-person component of the training

10. Communicable Disease - expired training

11. Communicable Disease - had not taken CD training

12. Communicable Disease - did not have verification of the completion of CD training

13. Communicable Disease - documentation did not demonstrate the person who provided the training met the trainer qualifications as stated in the rule

14. Child Abuse - expired training

15. Child Abuse - had not taken Child Abuse training

16. Child Abuse - documentation did not demonstrate the person who provided the training met the trainer qualifications as stated in the rule

Correct the violation and submit the documentation of current certification with the program's corrective action plan to verify compliance with the requirement of the rule.
