Department of Children & Youth

Licensing Inspection Full Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No moderate risk non-compliances were observed during this inspection

Ohio Department of Children & Youth

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.

Domain: **02 Safe & Sanitary Environment**

Rule: 5180:2-12-12 Safe Environment

Requirement: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: During the inspection, it was determined that children were not protected from item(s) or condition(s) which may threaten their health, safety, or well-being.

The following was observed: Missing or damaged ceiling tiles located in multiple classrooms.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/15/2026

Domain: **04 Indoor/Outdoor Space**

Rule: 5180:2-12-11 Outdoor Space Requirements

Requirement: The program is required to have an outdoor play space free from trash and foreign objects.

Finding: During the inspection, it was determined that the outdoor play space was not free of conditions that pose a risk of harm to children.

The following was observed: There were tall grasses and weeds on playground and walkway to playground.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/15/2026

Domain: **10 Written Policies & Procedures**

Rule: 5180:2-12-07 Written Program Policies and Procedures

Requirement: The program's policies and procedures are required to include all topics outlined in rule.

Finding: During the inspection, it was determined the program's written policies and procedures provided to the parents/guardians and employees was missing an item(s).

The following was observed as missing: The immunization record is to be on file at the center within thirty days of the child's first day of attendance and updated no more than every thirteen months thereafter.

- Policy describing supports for onsite breastfeeding or pumping for others who wish to do so
- Please include basic time frame for snacks and meals
- Meals consist of food from each of the five basic food groups.
- Snack consists of food from two of the five basic food groups.
- Modified diets: update wording to reflect new rule. Obtain a physician's written instructions if administering a medical food to any child or if an entire food group is eliminated. When special diets are required for cultural or religious reasons, the center shall obtain written, dated and signed instructions from the child's parent unless the special diet is part of a center program. Offer milk based on parental preference. (Unless on USDA Food program and then you must follow stated guidelines)
- Include times with the basic schedule
- Summary of procedures taken in the event of emergency, serious illness or injury: please state policy for serious illness and or injury
- Formal screenings and assessments on enrolled children and if you report date to DCY. Did not include formal assessment info or reporting. (Family needs assessment is for SUTQ and does not answer the question)
- Social media policy including but not limited to addressing publication of child photos or other identifying information
- Usage of emergency medical devices and emergency medications, including but not limited to Automated External Defibrillators (AED) and Naloxone
- The programs policy to prohibit center employees from exposing children to inappropriate language, media or behavior
- Policy for napping/resting during the daytime hours
- How will you ensure that families receive Appendix C : 5180:2-12-07
- Problem or issue resolution for parents or employees to follow when needing assistance in resolving problems related to the childcare center. Only address parent resolution and not employee.

Revise the program's written policies and procedures to include the missing information. Submit the program's corrective action plan, which includes the revised written policies and procedures, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/15/2026
